

SHOOTING EYEWEAR

Evolution is the UK's best-selling shooting eyewear and widely recognised as the best value shooting eyewear available.

- 6 different shooting models (all in multiple colours)
- 10 different multi-lens interchangeable sets
- 3 prescription shooting models

They all have Class 1 optical grade lenses made from shatterproof, impact resistant polycarbonate (complying with EN166F).

Chameleon

7 individual colours:

Brown • Clear • Light Brown • Orange • Purple • Rose • Yellow

4 colour bundle:

Brown • Orange • Purple • Yellow

Connect X

6 individual colours:

Interchangeable 4 lens set:

Grey • Orange • Purple • Yellow

4 colour bundle: Grey • Orange • Purple • Yellow

**Former English Open
Champion & top British
sporting shot Chris
Childerhouse said:**

"I have fully tested the Connect X and really like them. They feel robust, fit well and nothing interferes with vision. They look and feel like shooting eyewear costing 2 or 3 times their actual price. I would be happy to wear these in competition"

Connect X Purple

Matrix

7 individual colours:

Grey • Light Brown • Orange • Purple • Rose • Yellow • Light Yellow

Interchangeable 4 lens set:

Grey • Orange • Purple • Yellow

4 colour bundle: Grey • Orange • Purple • Yellow

**Fiona Thompson, Senior
Instructor, Southdown Gun
Club said:**

“Evolution Matrix is my preferred eyewear. I use Matrix for coaching and competition because they’re very light for extended wear comfort and provide great visual clarity”

Matrix Purple

Rapide

6 individual colours:

Clear • Grey • Orange • Purple • Rose • Yellow

Interchangeable 5 lens set:

Grey • Orange • Purple • Rose • Yellow

4 colour bundle: Grey • Orange • Purple • Yellow

Steve Scott, Olympic Bronze medal winner; European, Commonwealth and World Championships multiple Gold medal winner said:

"I'm now using Evolution Rapide for coaching and practise as they are so light and comfortable. The clarity of the lenses is excellent. With its highly affordable price, Evolution are onto a winner with this Rapide model"

Rapide Rose

Edge

6 individual colours:

Grey • Orange • Purple • Rose • Yellow •
Light Yellow

Interchangeable 5 lens set:

Grey • Orange • Purple • Rose • Yellow

4 colour bundle: Grey • Orange • Purple • Yellow

**Shooting Manager at Bisley
Shooting Ground & top British
clay and game shot John
Heagren said:**

“Evolution Edge is now my preferred shooting eyewear; they’re so light you hardly know you’re wearing them and the lenses really are exceptional quality. Pretty much everything you could want in shooting eyewear, yet at a sensible price”

Magnex

Magnetic Lens System

6 lens colours:

Brown • Orange • Purple • Rose • Yellow •
Light Yellow

Interchangeable 3 lens set:

Brown • Orange • Rose • Yellow

Interchangeable 5 lens set:

Brown • Orange • Purple • Rose • Yellow

**Wales & Great Britain Olympic
Trap team member, multiple
international trap shooting
competition winner and qualified
coach, Georgina Roberts said:**

"I'm really impressed with Evolution's Magnex shooting eyewear, changing lenses is quick and so easy! The variety of colours in the set is great as there's something for all target colours and weather conditions. The height adjustment feature means that you can easily find the best setting for you, making them very comfortable to wear. Highly recommended"
